

ALLYSON WHITNEY FOUNDATION

—
AMBASSADOR PROGRAM

Do you believe *no life should be interrupted by cancer?*

Our Mission:

The [Allyson Whitney Foundation](#) is a 501©3 nonprofit organization that empowers and fights for the interests of young adults with rare cancers. Our vision is to shine a spotlight on an underserved demographic of young adults and to place an emphasis on rare cancer research.

What we do:

Life Interrupted Grants

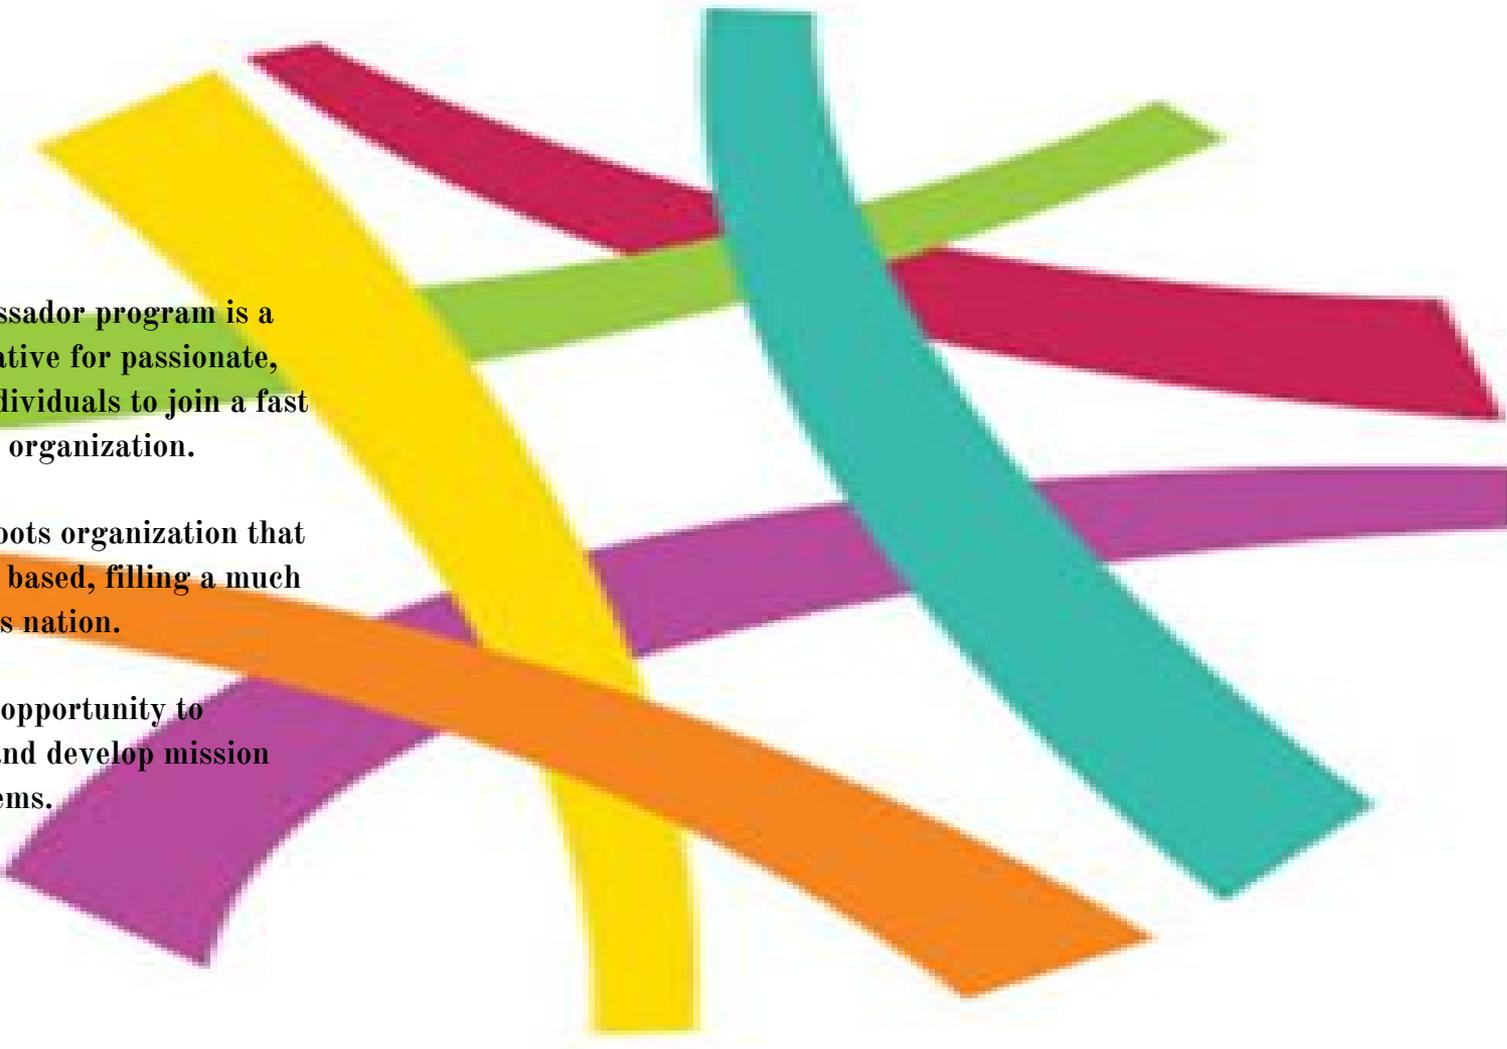

AWF primarily provides individuals [Life Interrupted Grants](#)[™] to ease their financial burden, so they may concentrate their energy on healing.

Other Initiatives

To fund an innovative [RNA Project](#) at the University of Texas MD Anderson Cancer Center to correlate small cell lung to small cell cervical. Most importantly, the data that is accumulated is shared worldwide.

To distribute [HOPE comfort bags](#) filled with soothing, healing products to hospital infusion suites.

Program

ABOUT

The **AWF** Ambassador program is a recruitment initiative for passionate, self motivated individuals to join a fast growing national organization.

AWF is a grassroots organization that is fully volunteer based, filling a much needed gap in this nation.

This is a unique opportunity to co-create a role and develop mission critical new systems.

An Ambassador will:

- Gain invaluable fundraising experience
- Collaborate with others around the country to bring awareness and needs for a young adult cancer patient
- Hold an official title to mark your experience, that could launch you down a new career path
- Have the opportunity to gain deep experience in an area where you may have tons of passion and even skill, just not formal experience
- Receive a welcome packet from [AWF](#)

An Ambassador Needs to:

- Know the mission and pursuit of the **Allyson Whitney Foundation**
- Be passionate about advocating for **AWF**
- Be ready for a 2 year (renewable) commitment
- Host at least one event per year that directly benefits **AWF**
- Have the ability to balance idea generation with execution
- Be enthusiastic for working with a nimble, startup-esque organization that has a developing infrastructure
- Be willing to not just “do” but also help us to develop systems and make our work sustainable after your fellowship
